

# LICENSING ANNOUNCEMENT

## JUNE 12, 2009

### FFMUN Reminder

**Primary Audience:** *FASTforward*<sup>®</sup> Licensees

**What:** As a reminder, effective **July 1, 2009**, all Active Mode *FASTforward* processing must have the *FASTforward* Move Update Notification (FFMUN) option activated. *FASTforward* Licensees must make available the FFMUN service to all of their customers.

**Impact:** The FFMUN service gives *FASTforward* Licensees a method to provide change-of-address information (COA) back to customers in an electronic file. The electronic file can then be used to update the customer's database. It is the responsibility of the customer to create the necessary applications to process the FFMUN electronic file.

**What you need to do:** Licensees must submit updated FFMUN Codes spreadsheets to [ncoalink@usps.gov](mailto:ncoalink@usps.gov) by **July 1, 2009**. Please share this information with all pertinent *FASTforward* contacts at your company.

If you have any questions regarding this announcement, please contact the Move Update Support Department at 800-589-5766.
