

Dear City State Product Subscriber:

The United States Postal Service® is adding a number of Alias records to the City State product. Due to this enhancement, you will see an increase in the City State file of approximately 13,000 records in the July 15, 2005 product.

The addition of these records will allow you to recover the street name if you had previously changed the street name to an alias record that was subsequently removed from the file due to adding more than one 'A' type alias to the database.

Beginning with this enhancement, these records will appear in the product as an Alias Type Code of 'C'. The records will roll off the product after one year.

If you have any questions or concerns about this product, please contact Customer Service at 800-238-3150.

Sincerely,

A handwritten signature in cursive script that reads "Janice E. Caldwell".

Janice E. Caldwell
Manager, Address Management
