

MAC™ (Manifest Analysis Certification) Batch Order Form

MAC™ (Manifest Analysis Certification) Batch process is designed to certify the accuracy of presort and manifest software for non-identical weight pieces. The information you provide is used for custom test creation, certified product listing, and will be posted at <http://ribbs.usps.gov/index.cfm?page=macbatch>. To avoid delays in processing your request, complete this form in its entirety and either fax the form to 901-821-6206 or email the form to mac.batch.ncsc@usps.gov.
