

LICENSING ANNOUNCEMENT

MAY 22, 2009

Reminder on the 2009 NCOA^{Link}[®] Reporting and Technical Changes

Primary Audience: NCOA^{Link} Developers

What: As a reminder, the NCOA^{Link} reporting and technical changes must be implemented no later than October 1, 2009. These required changes were discussed during the 2008 NCOA^{Link} Conference held December 2008. Attached are a summary of these required changes.

When: These reporting and technical changes are required and must be implemented no later than October 1, 2009.

Impact: The attached document includes a summary of the required changes. The technical changes described in the document require recertification of NCOA^{Link} Developers' software. Service Provider and End User Licensees are not required to recertify.

What you need to do: Make sure these changes are implemented no later than October 1, 2009.
