Announcement 1 of 1

ACS Fulfillment from RIBBS **has been discontinued until further notice.**

Primary Audience: ALL ACS RIBBS fulfillment customers

What: Due to security concerns surrounding RIBBS, ACS Fulfillment from RIBBS has been discontinued. The USPS will be converting all ACS fulfillments to CD until a viable electronic alternative is implemented.

The USPS is reviewing the fulfillment schedule and volumes for each customer to determine the most efficient fulfillment schedule. We will be contacting each ACS RIBBS fulfillment customer to verify the shipping address for their account. Subsequent communications will occur with each customer regarding the fulfillment schedules.

When: The USPS will begin fulfilling CD's early next week. Actual shipping of the CD's will not begin until we have confirmed each shipping address.

Impact: ACS RIBBS electronic fulfillment will not be available.

What you need to do: Read and notify the appropriate personnel. Be prepared to provide a shipping address for each account along with updated contact information. Review your existing processes to determine how to incorporate CD processing.
