ACS™ PRICE INCREASE

Primary Audience: All ACS customers

What: Information regarding ACS Price Increase

When: April 17, 2011

Impact: Increase in ACS Prices

What you need to do: Read the attached and notify the appropriate personnel. In order to accurately reflect the price change it will be necessary to fulfill all pending ACS transactions. On Monday April 18, 2011, **all** ACS customers with pending ACS transactions will be fulfilled via their normal delivery method. This may or may not coincide with your normal ACS fulfillment schedule. After this fulfillment you will return to your regular ACS fulfillment schedule. All ACS fulfillments on Monday April 18, 2011 will be charged the pre 4/17 ACS prices. All ACS fulfillments after this date will be charged the appropriate post 4/17 ACS prices as indicated in the attached 0304ACS.PDF.
