Primary Audience: ALL SingleSource ACS Fulfillment customers who receive a Full Service Chargeback file.

What: An issue occurred with the SingleSource ACS Full Service Chargeback File provided in the fulfillment file for 3/1/2013 (P#####_#####_13301.zip).

Impact: There may be a potential impact if your company utilizes automation when processing this file and if the date in the header of that file is validated.

What you need to do: Read and notify the appropriate personnel.
