Authorization

I hereby affirm that I have read the ACS Technical Guide for my chosen ACS option. I authorize the United States Postal Service® to provide electronic change-of-address (COA) and undeliverable-as-addressed (Nixie) information for the mail that requests this service under the prescribed terms and conditions of ACS. I understand that ACS participants receive a monthly invoice. Payments must be submitted within 30 days of the invoice date. Invoices carrying outstanding balances more than 30 days old are charged an annual interest rate of 10 percent. Nonpayment of ACS invoices will result in discontinuance of electronic ACS options. I understand that ACS is an electronic enhancement to, and not a replacement of the manual address correction process. It is designed to reduce the volume of manual address corrections provided on properly-prepared ACS mail. I understand that ACS is not a guaranteed service. I also understand that any unreadable or incorrect ACS requirements that are applied to mail, such as: Service Type or Mailer ID in the Intelligent Mail® barcode, Intelligent Mail package barcode (IMpb), Participant ID, and keyline (if required); or printed ancillary service endorsement, may produce unintended results, and that additional postage or fees may be incurred. I understand that USPS is not liable for direct, indirect, special, incidental, consequential, or other similar damages arising out of use of, or inability to use ACS, OneCode ACS, Intelligent Mail barcode and/or IMpb technology.
