

Creation of Centralized Email Address

As noted in section 45.0 of the AMS API License Agreement, Licensees must create a centralized email address. The centralized email address must be ncscinfo@<yourcompanyname.com>. The centralized email address should be established before completion of the licensing process. Once the centralized email address has been established, send written notification to amsapi@usps.gov.

Product Descriptions

AMS, DPV®, LACSLink® and SuiteLink® Developer's Kit

This kit is required to access AMS, DPV, LACSLink and SuiteLink API. This kit includes one AMS API database license, one DPV API database license, one LACSLink API database license, one SuiteLink API license, and one operating platform.

Additional AMS, DPV, LACSLink and SuiteLink Developer's Kit

This kit is required when the user requests additional operating platforms for the AMS, DPV, LACSLink and SuiteLink API Developer's Kit. For example: If the user originally purchased the W32 platform and later requested the L32 platform.

Additional AMS, DPV, LACSLink and SuiteLink Database License

This license is needed if more than one copy of the AMS, DPV and LACSLink ZIP + 4® database files will be utilized at the same time. The AMS, DPV, LACSLink and SuiteLink API database files are listed in the license agreement. Use the factor table below to determine the factor to enter on the order form.

AMS, DPV, LACSLink and SuiteLink API Resell License

This license is needed only if you currently have or will develop a product for commercial resell. The resell license is for one operating platform only and includes Internet usage.

Additional AMS, DPV, LACSLink and SuiteLink Resell License

This license is needed when the user requests additional operating platforms for the AMS, DPV, LACSLink and SuiteLink Resell License. For example: If the user originally purchased the W32 platform, and later requested the L32 platform.

RDI™ Developer's Kit

This kit is required to develop an RDI interface. The contents of this kit will be defined at shipment. A separate licensing process is required to receive the RDI data.

RDI API Resell License

This license is needed only if you currently have or will develop a product for commercial resell. The resell license is for one operating platform only and includes Internet usage.

Additional RDI API Resell License

This license is needed when the user requests additional operating platforms for the RDI API Resell License. For example: If the user originally purchase the W32 platform and later requested the L32 platform in addition.
