

Creation of Centralized Email Address

As noted in section 45.0 of the AMS API License Agreement, Licensees must create a centralized email address. The centralized email address must be ncscinfo@<yourcompanyname.com>. The centralized email address should be established before completion of the licensing process. Once the centralized email address has been established, send written notification to amsapi@usps.gov.

Product Descriptions

AMS, DPV®, LACS^{Link} and Suite^{Link} Developer's Kit

This kit is required to access AMS, DPV, LACS^{Link} and Suite^{Link} API. This kit includes one AMS API database license, one DPV API database license, one LACS^{Link} API database license, one Suite^{Link} API license, one operating platform and six (6) bimonthly media updates for AMS, DPV, LACS^{Link} API, Suite^{Link} API, and eLOT® (as requested).

Additional AMS, DPV, LACS^{Link} and Suite^{Link} Developer's Kit

This kit is required when the user requests additional operating platforms for the AMS, DPV, LACS^{Link} and Suite^{Link} API Developer's Kit. For example: If the user originally purchased the W32 platform and later requested the SUN platform.

Additional AMS, DPV, LACS^{Link} and Suite^{Link} Database License

This license is needed if more than one copy of the AMS, DPV and LACS^{Link} ZIP + 4® database files will be utilized at the same time. The AMS, DPV, LACS^{Link} and Suite^{Link} API database files are listed in the license agreement. Use the factor table below to determine the factor to enter on the order form.

AMS, DPV, LACS^{Link} and Suite^{Link} API Resell License

This license is needed only if you currently have or will develop a product for commercial resell. The resell license is for one operating platform only and includes Internet usage.

Additional AMS, DPV, LACS^{Link} and Suite^{Link} Resell License

This license is needed when the user requests additional operating platforms for the AMS, DPV, LACS^{Link} and Suite^{Link} Resell License. For example: If the user originally purchased the W32 platform, and later requested the SUN platform.

RDI™ API Developer's Kit

This kit is required to access RDI API. The contents of this kit will be defined at shipment. A separate licensing process is required to receive the RDI data.

Additional RDI API Developer's Kit

This kit is required when the user requests additional operating platforms for the RDI API Developer's Kit. For example: If the user originally purchased the W32 platform and later requested the SUN platform.

RDI API Resell License

This license is needed only if you currently have or will develop a product for commercial resell. The resell license is for one operating platform only and includes Internet usage.

Additional RDI API Resell License

This license is needed when the user requests additional operating platforms for the RDI API Resell License. For example: If the user originally purchase the W32 platform and later requested the SUN platform in addition.

Additional Discs

Order the number of additional DVD discs required for internal use or resell. Subsequent bimonthly releases do not need to be ordered until they occur. If you only use the single DVD disc that comes with the AMS API Developer's Kit, please leave blank.
