

**CASS™/MASS™  
ANNOUNCEMENT  
May 30, 2014**

**Cycle O 2015 – Static Test Data and Stage I File**

**Primary Audience:** CASS/MASS Software Developers, Integrators, Manufacturers

**What:** The CASS/MASS Cycle O static test data was mailed via Priority Mail® with Signature Confirmation to all CASS developers.

The Stage I file has been posted on the RIBBS website at [https://ribbs.usps.gov/cassmass/documents/tech\\_guides/](https://ribbs.usps.gov/cassmass/documents/tech_guides/) in the 2015-2017 CASS™ Stage I File link.

**When:** Static data was mailed on Thursday, May 29, 2014. The Stage I file was posted on Friday, May 30, 2014.

**Impact:** The Stage I file was processed with the static test data and the static test data must be used for all testing.

**What you need to do:** Please share this information with all pertinent contacts at your company. If you have any questions, please contact the CASS/MASS Department at 800-642-2914.
