

**CASS™ MASS™
ANNOUNCEMENT
July 31, 2012**

CASS™ and MASS™ Certificates changed to a Certification Letter

Primary Audience: CASS and MASS Manufacturers and End Users

What: The USPS has changed the CASS and MASS certificates to a certification letter. The letters include the same information that was shown on the certificate.

When: Effective for MASS since March 2012 and CASS since April 2012.

Impact: CASS and MASS customers will receive a certification letter instead of a certificate when certification is achieved.

What you need to do: Please share this information with all pertinent contacts at your company. If you have any questions, please contact the CASS/MASS Department at 800-642-2914.
