Dear DPV[®] Licensee:

As a result of the USPS[®] Domestic and International Mailing Services Price Change, effective January 22, 2012, the DPV licensing fees will change. All new and existing licensees will be subject to new fees, meaning any licenses requested on or after January 22 must remit the new fees. Below is the new pricing structure.

	Current Price	Price Effective Jan. 22
DPV License (per year)	\$10,250.00	\$10,500.00

The Payment section in the DPV License Agreement states, 'After the initial year, the yearly payment and method of payment will be determined by USPS taking into consideration, among other things, the number of licensees, the estimated operating costs and overhead in the subsequent year, and a portion of the remaining development costs.'

Please share this information with all pertinent contacts at your company. If you have any questions regarding this letter, contact Licensing and Certification Department at 800-589-5766.

Sincerely,
