**MARCH 25, 2015**

## **NEW LICENSE TERM**

**Primary Audience:** All DPV® and DSF<sup>2</sup>® Licensees

**What:**

To align with the terms set forth in license agreements for other USPS® Licensed Products, the USPS will modify the license term year to October 1 through September 30, beginning with this year's renewal cycle.

You will be mailed a prorated invoice by April 15 with the license dates of July 1, 2015 through September 30, 2015, which payment is due by May 29. You will also receive an invoice for the new license term of October 1, 2015 through September 30, 2016. Payment for this invoice will be due August 31. Thereafter, you will be mailed a renewal invoice for the term year of October 1 through September 30 by July 15 each year.

**When:**

By April 15, you will be mailed two invoices. One will be a prorated invoice for July 1, 2015 through September 30, 2015, which is due by May 29. The second one will be a renewal invoice for the new license term October 1, 2015 through September 30, 2016, which is due by August 31.

**Impact:**

This license term modification is to align the license renewal schedule for the DPV and DSF<sup>2</sup> products with other USPS Licensed Products.
