## USPS Shipping Products and Services Webinar Series

May 26, 2015, 11a.m. EDT – Delivery Instructions

Join us as the Postal Service continues to host its series of informational webinars on a variety of products and services. The webinars will focus on service enhancements, features, benefits, how to get started, and onboarding information to acquire the knowledge and skills to effectively use the service.

Tuesday, May 26, 2015 at 11a.m. EDT – **Delivery Instructions**

Delivery Instructions allows the recipient of a package to electronically authorize through USPS.com for a carrier to leave a package at a specific location, leave with neighbor, hold at a Post Office or reroute their package to a new domestic destination.

Customers can also request that shipments be delivered through one of our expedited products in one to two days; Priority Mail Express or Priority Mail and pay the difference in the postage from the ground service.

Speaker: Sherri Evans, Manager, Shipping Development
