New ELT Detail Assignments

Today, Postmaster General Megan Brennan announced two new detail assignments to the Executive Leadership Team.

- ❖ Jim Cochrane will serve as Acting Chief Marketing and Sales Officer (CMSO). With over 40 years of experience, Jim's understanding of customer requirements, combined with a well-rounded business acumen, will enable him to better position the U.S. Postal Service in today's marketplace.
- ❖ Randy Miskanic will serve as Acting Chief Information Officer (CIO). Randy will continue the advancement of new mail intelligence, engineering systems, information technology systems, payment technology, and corporate information security to meet the changing needs of today's marketplace.

These changes will allow us to fully leverage the Postal Service's core strengths and continue our long-term strategies for the future.
