57250	ETR	Medium	Mail.xml Priority Mail Commercial is not mapping to valid rate (not Retail)	Mail.xml Postage Statement Processing	28.0.0	Deployed to CAT	Priority Mail is not mapping to a Retail priceType for Mail.XML. All priceTypes are working except Retail for Priority Mail.	None. Do not use XML for retail priority mail.	5-Mar-10
54033	ETR	Medium	Mail.XML - Priority Mail Postage Statement after 12/07/2009	Mail.xml Postage Statement Processing	28.0.0	Deployed to CAT	Cannot open the Postage Statement with Priority Mail Commercial Plus rates without being logged out of PostalOne!.	None	21-Dec-09
50889	COM	Medium	Mailer cannot tell what permits or pub numbers are linked to what CAPS accounts	Electronic Postage Processing	(None)	Requirements Review	Mailers cannot see what permits or pub numbers are linked to what CAPS accounts.	Resolution through business workaround; not a software update issue. Ask the CAPS Service Center or BMEU what permits or pub numbers are linked to what CAPS accounts	20-Nov-09
49770	ETR	Medium	Dashboard: Postage statement should display the correct container type of a sibling container	Dashboard	(None)	Requirements Review	The postage statement does not display 1 in the "1' MM Tray" column for the sibling container. Instead, it displays 1 in the "Other" column for the sibling container.	None: Accept incorrect container classification of Other rather than MM Tray.	21-Oct-09
