Group Input

The following ETRs were discussed.

- ETR 1002213 – Dashboard Master Statement Finalization: The workaround for this ETR is going to make things more complicated. Impact is external as well. This ETR will be discussed on a separate phone call.
- ETR on the rounding issue for First Class Letters is currently scheduled for January 2013, however, it has a monetary impact. It was requested to escalate the issue to an earlier date.
