Review of Action Items

- Clarification on the BCG Password Change Requirement
Barbara Wheeler explained the BCG password change is only for the login to the BCG. If customers have additional passwords for reports within the BCG, the passwords are dictated by the customer's system and not impacted by the change for the initial login password for BCG.
- Confirmed the release schedule was updated to reflect February 13, 2015 for CR filing deadline for Reg/Price Changes.
- Mailer Scorecard – Feedback and rationale behind removing red/green formatting of mailer performance. Heather Dyer explained the red/green formatting was removed due to complaints of confusion from the general user. USPS is developing trend reports and enhancements for the April release and will be shared at a later date.
