### Full- Service Performance Metrics

USPS reviewed the current Full-Service Performance Metrics.

### Price Change Update

The Price Change is scheduled for May 31, 2015, pending PRC approval. The Earned Value Added incentive program will start on May 1, 2015 and registration for this program ends on April 30, 2015. The Release notes are currently being updated. The Proposed postage statements will be posted to Postal Explorer on April 24, 2015 to reflect new prices and will include a date of May, 2015. The industry indicated the Incentive calendar and requirements document still reflects the original information. The new FSS rates did not change but was not clarified. FSS Scheme Pallets remain. USPS will send clarification on the New FSS Rates.

### FAST Update

Reviewed future functionality for accessing labeling list within the FAST system. This functionality will be deployed in a future release to be announced at a later date.

**PostalOne!® Required Web SSL Cert updates Production Implementation for Mail.xml** - *PostalOne!* will be updating its Web SSL certs on Tuesday 4/28/2015 between 5:00PM central and 7:00PM central. Your systems that interface with *PostalOne!* may be impacted by this change and will need to update the certs they use to connect to *PostalOne!* Please see the attached documentation and a copy of the Prod Certs that will be enforce after the *PostalOne!* Cert installation on Tuesday 4/28/2015. This change impacts mailers who utilize Mail.xml to submit postage statements, schedule appointments and FAST messages created using Mail.xml.

### Issues List

Reviewed the current issues list. In review of the issues list it was noted ALM 6991 which impacts combined Mail.xml mailings; was not identified as an external issue, however it impacts the Mailer Scorecard. USPS will update ALM 6991 to external.

### Action Items

1. USPS to provide clarification on New FSS Rates
2. USPS will update ALM 6991 to reflect as an external issue.
