FSS Rates Clarification

A review of the new FSS Rates was presented. (Slides attached)

Release 41 Readiness

Advised USPS anticipates a ruling from the PRC today. Industry voiced concerns surrounding the release:

- When will R41 Release Notes be posted?
- Mail Direction Files for Jun 1 do not have some of the FSS Rates.
- How long will the postal service allow Drop-Ship to be at the old rates
- Industry is requesting an advisory for exceptions not just notification through UG1

USPS acknowledged concerns and will regroup and provide information to the group as soon as possible.
