Mail.dat Status Receipt Subgroup

Subgroup USPS Lead reviewed the current functionality and results of subgroup, identifying enhancements and removals. This information will be provided to the MSDG prior to initiating any changes. MSDG feedback will be provided to User Group 1 and timeframe and prioritization of items will be shared.

R41 Known Issues

Currently no new issues with R41. Mailers impacted by ALM 7337 will be contacted by Mail Entry to resolve.

R41.1.1.0 Release Notes

The R41.1.1.0 release notes were reviewed by item with the group. Concerns were raised around change requests and validations and reasonable timeframe to prepare not being provided to the industry. USPS will meet to discuss and provide feedback to User Group 1.

Issues List

A review of the current complete external issues was completed with the group. No request to change priority or remove any items by the group.
