### Streamline Publication for Letters and Flats

The current progress on the publication was discussed with UG1. USPS will republish a new draft that which incorporates the feedback from the industry and publish a FAQ that addresses all the questions/comments that were raised. There will be a 30 day review period.

### Price Change Update – Spring Rollback Pricing Files

Industry Alert on Price Change was communicated with UG1. Notice of the Exigent surcharge removal will be filed approximately 45 (calendar) days before we will remove the surcharge (change prices).

### MPA Payment Account# Field in Mail.dat

The MailAnywhere initiative and the relation between CAPS account number and National Account Number were explained to UG1. The Postal Service Mail.dat Technical Specifications were shared with the group.

### R42.0.0 Release Notes

R42.0.4.0 Release Notes were reviewed with UG1.

### External Issues List

The external issues list was reviewed with UG1.

### A/B Testing Requirements- Mail.dat/Mail.xml

Based on the feedback received, USPS will not repurpose fields for the linkage of A/B Postage Statements. USPS will now be verifying A/B credit through a manual process. There will be no impact to the Industry, however, the A pieces and B Pieces must be reported on separate postage statements.
