MTAC User Group 4 for Informed Visibility™

- Meets weekly, Wednesdays from 12:30-1:30 PM (ET)
- Open to all Users
- Forum to discuss IV™ features for mailers

MTAC User Group 4 is an open forum for representatives from USPS and the mailing industry to discuss mail visibility and its future with Informed Visibility.

We have established a great dialogue with the MTAC UG4 and we encourage more industry members to join the discussion. Contact us to become a member.

Join the MTAC UG4 discussions!

- Send a request to IVFeedback@usps.gov to join the group.

Visit the Informed Visibility RIBBS webpage to learn more.
