

UG5 Minutes

October 21st

- FRN(s)
 - FRN Update: FRN on Move Update Clarifications is completed and ready to be published. Pritha's FRN on Move Update Census Method is still being tweaked by internal stakeholders. No date is assigned for publication. Randy Miskanic, USPS CIO, wants both notices published in the same Federal Register issue.
- 93 Redirection IMb (Documentation)
 - Notices have been released to ACS customers.
- FPARs Update
 - Siemens will be done with installs effective December 2015. However, USPS will wait until after the Holiday's before implementing.
- Updating Address Quality Best Practices
 - Dan will be submitting the request for Work Group this week.
