

MTAC Task Team 10

- Develop processes to automate and/or streamline PAVE certification leveraging Mail.dat, Mail.XML and Postal Wizard.
- Develop strategies to make it easy for mailers to upload the output of presort to the USPS leveraging Mail.dat and Mail.xml.

Accomplishments

- We held a telecon on 11-18-2011 and asked if PAVE certification should continue.
 - Consensus is that it should.
- Discussed suggested changes at face-to-face meeting held on 11-30-2011.

Next Steps

- Scheduling another telecon for Friday, 12-9-2011.
- Next steps include:
 - Review of current PAVE process and associated system.
 - Stephanie, Cher and NSCS PAVE team
 - Present findings to task team
