

The PAVE process is designed to certify the accuracy of presort software for identical mailpieces. The information requested will be used for custom test creation, certified product listing, and will be posted on the RIBBS website at <http://ribbs.usps.gov/index.cfm?page=pave>. Complete this form in its entirety, and fax it to (650) 357-6796 or 901-821-6206 or e-mail it to pave.ncsc@usps.gov.

NOTE: If you wish MAC Batch testing/certification please submit a separate MacBatch Order Form found at:

<http://ribbs.usps.gov/macbatch>

Which of the following best identifies the Product reflected on this Order Form (more than one may apply):

No Changes from Previous Certified Version **New Mail Preparations** **New Options Supported**

Product Information *(Please Print)*

Product Name

Version Number

What is the maximum number of addresses this product can process? *(Optional)*

Only check one for the Type of Certification: Standard *(Hardcopy Only)* National Approval Postage Statement Facsimile
 Gold *(Electronic & Hardcopy)*

Price Range*

Developer Type**

* A = Under \$100, B = \$101–\$500, C = \$501–\$1,000, D = \$1001-\$5,000, E = Over \$5,001, F = N/A *(Not Applicable)*

**A = Retail Software Developer, B = Service Bureau, C = In-House/Proprietary Use, D = MLOCR Software

List **ALL** hardware and software combinations for this product and version. Your primary hardware platform will be tested for all presorted categories selected and additional platforms will be tested randomly. Attach an additional sheet if necessary.
