

LICENSING ANNOUNCEMENT

APRIL 29, 2011

SUITE^{Link®} DATA EXPANSION

Primary Audience: Suite^{Link} Licensees

What: The Suite^{Link} data has increased from 16 to 21 million records. This increase will be reflected beginning with the May monthly data fulfillment.

The number of records has increased due to the addition of NCOA^{Link} old-side addresses as a source.

When: Beginning with the May monthly data fulfillment

Impact: There will be an increase in the number of records contained in the Suite^{Link} data beginning with the May data fulfillment.

What you need to do: Please share this information with all pertinent contacts at your company.

If you have any questions regarding this notice, please contact the Licensing Department at 800-589-5766.
